Observation Run/Self-Guided Tour

Observation runs and self-guided tours are excellent ways to get MWHOG chapter members out on their Harleys and enjoying the countryside. In general, observation runs are designed as a kind of "scavenger hunt" where participants receive a series of questions about the landmarks and signs along the route. Their answers are judged at the end of the ride. Self-guided tours are just that, a predetermined route through a scenic area that riders can complete at their own pace.

A qualifying photo will consist of a picture of the item and you with or without your bike. (Preferably with your Bike 😊)

Each qualifying completed task will be eligible for a non-circulated 2009 MWHOG Charity ride pin or a ticket.

The most pins and tickets collected at the end of the riding season will be declared the winner.

There will be 1st, 2nd and 3rd place prizes. Prizes to be revealed at the April Meeting.

Start of Hunt = March 24, 2011

End of Hunt = November 30, 2011

Winners to be announced at the annual HOG-i-day party.
